

## Bioenergy: from Words to Action

CANBIO Annual Bioenergy Conference, Trade Show and Field Tour

---

CONFERENCE PRESENTATIONS · 6–8 October 2008 · Ottawa · Canada

---

**PRESENTATIONS IN PDF FORMAT ARE AVAILABLE TO CANBIO MEMBERS AND  
CONFERENCE PARTICIPANTS: Contact [info@canbio.ca](mailto:info@canbio.ca)**

### STATUS OF BIOENERGY IN CANADA

#### Canadian Biomass Supply Chains

Forest biomass: volumes & supply chain costs, **Douglas Bradley**, President, CANBIO

The challenge of biomass project planning, **Dean Johnson**, D.F. Johnson & Associates

Developing efficient supply chains for harvest residues, **Mark Ryans**, FPInnovations FERIC

#### Biomass Solid Fuel Development & Use

Canadian wood pellet industry: production – markets – domestic/export, **John Swaan**, WPAC

Go Pellets Canada – building the market in Canada, **Christopher Rees**, VisionPower Canada

District heating in the Alps, **Stefan Clara**, VisionPower

Biomass testing at Ontario Power Generation, **Jane Todd**, Ontario Power Generation

### SECOND GENERATION BIOENERGY: A GLIMPSE OF THE FUTURE

Cellulosic biomass – BioOil<sup>®</sup> – advanced fuels, **Brian Richardson**, Dynamotive Energy

Transforming biomass into biofuels, **Denis Arguin**, Enerkem

Biomass, biocarbon, bioenergy, **Jerry Kutney**, Alterna Energy Inc.

Supplementing biomass feedstock from willow plantations, **Francis Allard**, Agro Énergie

R Map™ System, Automated tree based forest supply & biometric technologies, **Rob Cormier**, R&B Cormier Inc.

### COMMUNITY-SIZED BIOENERGY SOLUTIONS

Searching for bioenergy solutions in Quebec, **Carl-Éric Guertin**, Quebec Wood Export Bureau  
MegaKone, **Jari Luoma**, MegaKone Oy

Efficient sustainable renewable wood pellets, **Rick Minke**, Ekofuel Technologies Inc.

Prairie project for community power and heat, **Jamie Bakos**, Titan Clean Energy Projects Corp.

Bioenergy project development – managing of forest fuel logistics and supply chains in any  
recognized business model, **Seppo Huurinainen**, MHG Systems Oy

Business development through biomass to energy in the region of Småland – Växjö as an  
example, **Björn Vikinge**, Vikinge Forest & Bioenergy AB

Community economic benefits from bioenergy, **Tim Maker**, Biomass Energy Resource Center

### POLICY: WHAT'S RIGHT, WHAT'S WRONG, AND HOW TO FIX IT!

Learning from Sweden – benefits of a carbon tax, **Kent Nyström**, World Bioenergy Association

Carbon market in Canada 2008-2009, **Katie Sullivan**, ICF International

Biomass under pressure: an elephant in the bed, **Bruce McCallum**, Ensign Consulting

An adaptive path to ecologically sustainable forest biomass harvesting, **Evelyne Thiffault**,  
Université du Québec à Montréal

Fort Frances Biomass Boiler Project, **Martin Kaiser**, AbitibiBowater

## **BUSINESS TO BUSINESS TECHNOLOGY SOLUTIONS**

Introductions by bioenergy companies

Andritz

Antti Ranta Oy

Buhler

John Deere

Kesla Oyj

Metso Power

Nakkilan Konepaja

Ponsse

Silvana Trading

Viking Forest & Bioenergy AB

Wellons FEI Corporation

WENET Wood Energy Net

## **CANBIO TOUR**

Welcome to the Gatineau Mill, **Martin Kaiser**, AbitibiBowater
