

Canadian Bioenergy Association

## CanBio Bioenergy Conference

---

Westin Ottawa Hotel – June 15-16, 2010 – Ottawa, ON, Canada

---

### LIST OF PRESENTATIONS

**PRESENTATIONS IN PDF FORMAT ARE AVAILABLE TO CanBio MEMBERS AND CONFERENCE PARTICIPANTS: Contact [info@canbio.ca](mailto:info@canbio.ca)**

#### TUESDAY, JUNE 15 – BIOENERGY BUSINESS MODELS THAT WORK IN CANADA

##### Bioheat and Combined Heat and Power Projects that Work

"Forest Biomass Heat : The Amqui Project" – **Yoland Legaré**, *Coopérative forestière de la Matapédia*

"Bioheat: How Europe is Making it Work" – **Dominik Röser**, *Finnish Forest Research Institute (Metla)*

"Biomass – The Revelstoke District Energy Experience" – **David Johnson**, *Revelstoke Community Energy Corporation*

"Another District Heating Plant That Works" – **Jim Verboom**, *Verboom Grinders*

"Contract Heat with Binder Boilers" – **Philipp Marktl**, *Wood4Heating*

"UBC Campus Green Energy by Nexterra" – **Goran Sparica**, *Nexterra Systems Corporation*

"What Makes Heat and Power Projects Work?" – **Doug Bradley**, *CanBio*

##### Pellet plants that work!

"Global and Canadian Wood Pellet Update" – **John Arsenault**, *Wood Pellet Association of Canada*

"OPG Biomass and Gas Repowering Project" – **Jane Todd**, *Ontario Power Generation*

"Modular Pellet Plant" – **Paul Adams**, *SBC Firemaster International*

##### Biofuels projects that Work!

"Next-Generation Biofuels: Enerkem's Westbury and Edmonton plants" – **Marie-Hélène Labrie**, *Enerkem*

"Pyrolysis Oil: Heat, Electricity, Green Transportation Fuels, and Chemicals too" – **Randal Goodfellow**, *Ensyn*

## WEDNESDAY, JUNE 16 – BIOENERGY POLICY – WHAT WORKS? WHAT DOESN'T?

### State of Biomass Energy

"Bioenergy In Canada" – **Douglas Bradley**, *President, CanBio*

"Supporting Bioenergy Transformation: A Forest Industry Perspective" – **Catherine Cobden**, *Forest Products Association of Canada*

"Organic Rankine Cycle (ORC) in Biomass-Fueled CHP" – **Daniel Theuer**, *Turboden, Italy*

### Status of Policy

"EU Policies that work – results" – **Dominik Röser**, *Finnish Forest Research Institute (Metla)*

"Local Wood Energy: The Vermont Experience. Biomass for Community Energy Projects – US Policies – Pro and Con" – **Chris Recchia**, *Biomass Energy Resource Center, Vermont*

"Quebec policy on bioenergy" – **Julie Grignon**, *Quebec Min. des Ressources naturelles et de la faune*

"Bioenergy in Ontario" – **Rick Jennings**, *ADM, Ontario Ministry of Energy & Infrastructure*

"A Proposed Framework to Modernize Ontario's Forest Tenure and Pricing System" – **Frank Miklas**, *Ontario Ministry of Northern Development, Mines & Forestry*

### Making the Change

"Biofuel Policies in North America" – **Marie-Hélène Labrie**, *VP, Enerkem*

"Bio-products – what we need to progress" – **Craig Crawford**, *Ontario BioAuto Council*

"Achieving our Bioheat Potential. What needs to be done" – **Bruce McCallum**, *CanBio Director*

"Power economics: Bioenergy in BC" – **Brian McCloy**, *BM McCloy and Associates*

"Moving Forward with First Nations" – **JP Gladu**, *Aboriginal Strategy Group*

"Changes in British Columbia in Support of the Bio-energy Sector" – **Paula Barrett**, *BC Safety Authority*

"Concrete Actions for Bioenergy in Quebec" – **Nicolas Laflamme**, *Agence de l'efficacité énergétique*

"Transforming Canada's Forest Products Industry" – **Richard Parfett**, *Canadian Forest Service, Natural Resources Canada*

### Building a Collective Vision for Bioenergy

"Bioenergy Vision for Canada" – **Doug Bradley**, *President, CanBio*
